YES, WE CAN!

Difficult times demand a quick action, rethinking, a pullout habitual, very often too habitual "trails". Let us diverge from those „trails“ and have a look around the corner. Let's have a trust in our creativity, allow her free play. New possibilities can be opened, new venues be born, interesting projects can be realized, new partnerships can arise.

Then we say „YES, WE CAN!“

*Worse than an economic crisis is the crisis in the mind and hearts of humans
.Let us emit something of our creativity and break new grounds.*

PROJEKT „KUNSTKRAMER“

LEBENS SPUREN - LIVE TRACKS

DEADLINE for application: February 15, 2009

THE IDEA:

In former times there existed the so called „Bandlkramer“ in Austria, a touring marketeer who had a very important significance in society due to his offer of interesting and necessary goods for the population .He also offered curiosities like a very smooth woven fabric for the festive traditional costume, a costly embroidered shawl, a precious image for the living room, a little luxury to donate.

BIENNALE AUSTRIA will bring as an „art- marketeer“ works of international artists into 20 well chosen locations in Austria.
